RUSTIC | SUGAR | VARNISH

DESIGN OF SPAIN

Rugby series resembles the pattern of varied soil types of Earth. The effect given to it looks seemingly true to life and uncommon to have in artificial space, that creates perfect match of humanistic and naturalist effect.

As it is made with random design techno, it can be fit even without chronological order. But still is delight in disorder.

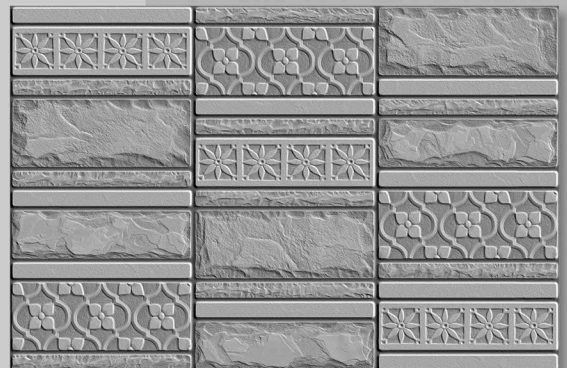

"THE DIFFERENCE BETWEEN SUCCESSFUL PEOPLE AND REALLY SUCCESSFUL PEOPLE, IS THAT REALLY SUCCESSFUL PEOPLE SAY NO TO ALMOST EVERYTHING."
- Warren Buffet

The love of stripes is never out of time. To keep up the idea alive of stripes and to deliver the sentimental touch to it, we developed this series that matches with every surround be it human or the mood.

To give it a new touch we also developed contrasting match which will not do same pinch to the older looking trend of it.

The important thing which I've really learned is how do you not give up, because you never succeed in the first attempt

– Mukesh Ambani
